**C**elebrate the dazzling creativity of North East L.A. and honor the Arroyo Seco, a tributary of the Los Angeles River, which was once, and could be again, a vibrant waterway.

All that is required to march, dance, ride, skip or hop along in the parade is a fish-themed costume, puppet, doll, hat, mask, or any other piscine accessory. Wild flights of imagination are heartily encouraged. For this event, nothing is too subtle or too baroque. Individuals, families, and teams; all are welcome!
